## CORONAVIRUS SUPPORT – 8

### \*\*VE DAY SPECIAL\*\*

Much to commemorate, celebrate and be thankful for on Friday 8<sup>th</sup> May as we mark 75 years since Victory in Europe. Although coronavirus has interrupted many planned events, we can still join together to salute those who fell in WW2, have fallen since then and those who serve in the forces today.

**No need to miss out on the parade.** The Shropshire branch of the Royal British Legion along with other partners and Radio Shropshire has pre-recorded a remote 'Doorstep Parade' – literally on your doorstep – no marching involved! Veterans are encouraged to dress formally with medals and headwear. Commands given will include staged removal of headwear, which is then to be held against your chest while three cheers are given to the Queen. Apparently, this is an unusual command so hopefully you will now be prepared for it! **The Radio Shropshire broadcast will start at about 10.50am, in the lead up to the silence at 11am.**

Radio Shropshire is on 96.00 FM or online:
